8. Proposal of Introduction of Individual Nominees

- 8.1 Due to the current worldwide economical crisis, the meeting considered that the proposal of charging APSKF individual nominees a certain amount of subscription fee that enabled them to be eligible for participation in APSKF events should be kept in view until the situation warranted its implementation in future.

9. Eligibility for Upgrading in WSKF Dan Examinations

- 9.1 It was proposed that only affiliates of APSKF black belt members should be eligible for upgrading in WSKF Dan examinations in the Asia Pacific regions. However, the meeting considered that it was immature to impose the condition for the time being, and it would be kept in view until the situation warranted its implementation in future.

10. Obstruction to Application of All India Shitoryu Karate Association (AISKA) to be Member of All India Karate Federation (AIKF)

- 10.1 Sensei Wong Tuang Seng reported on behalf of AISKA that AISKA's application to be member of AIKF had been objected / obstructed by Governing Council of All India Shitoryu Karate Association (GCAISKA). Sensei Wong said that it was wrong for GCAISKA to take such a stand. Members of a Shitoryu Union should stand united in such cases, as it would help to build a stronger APSKF family. He suggested that guidelines be drawn for Union members to comply in such cases and GCAISKA be cautioned for their action.
- 10.2 The meeting considered that it might be inappropriate for APSKF to be involved in any affairs concerning national federations. The problem should be resolved among AISKA, GCAISKA and AIKF.

11. Any Other Business

11.1 Shitoryu Karatedo Union of Malaysia

Sensei George Tan reported that Malaysian Association of Shitoryu Karate (MASK) and Traditional Shitokai Karatedo Association (TSKA) would meet the week after regarding the formation of a union in Malaysia in accordance with APSKF's resolution issued to MASK on 18 November 2008. The meeting welcomed the positive step take by both MASK and TSKA.

11.2 Affiliation of Chinese Karatedo Association Shitoryu Committee (CKASC) with APSKF

CKASC claimed itself to be the only Shitoryu organization representing China in WSKF and APSKF. However, upon invitations from APSKF in several occasions, they had not yet submitted an application for affiliation with APSKF, even though they had been recognized by WSKF for some time. The Management Council would arrange a meeting with CKASC representatives in the coming 6th WSKF Championships in Beijing to identify and resolve any problem in this matter.
